MEMORANDUM FOR: Acting National Intelligence Officer for
Western Europe

FROM: Director of Central Intelligence

SUBJECT: The Greek Estimate

1. I agree with John McMahon that the last paragraph of the Key Judgments would be better left out. What can be done is being done and there isn't much we can do about it now so I don't think we should comment on it or that our Estimate should be making policy-making recommendations.

2. The next NFIB meeting is on the 22nd. Why don't you get it on the agenda for that date.
